Section 2: Segment-wise Operational Performance

2.1 Integrated Resource Management (IRM)

Metric	FY 2022-23	FY 2023-24	FY 2024-25
Volume (MMT)	88.2	82.1	56.5
YoY Growth %	37%	-7%	-31%

Table 4: IRM Business Volume

Key Highlights:

- FY23: Volume increased 37% to 88.2 MMT from 64.4 MMT in FY22
- FY24: Decline to 82.1 MMT (-7%)
- FY25: Further decline to 56.5 MMT (-31%), reflecting strategic portfolio shifts
- Maintained India's No. 1 position in imported coal supply
- Launched IRM e-portal for enhanced ease of doing business

2.2 Mining Services & Mine Development Operations (MDO)

Metric	FY 2022-23	FY 2023-24	FY 2024-25
Production (MMT)	29.7	32.5	47.0
YoY Growth %	7%	10%	45%
Operational Coal Mines	5	5	6
Operational Iron Ore Mines	-	-	-
Total MDO Portfolio (Blocks)	-	-	13 (11 coal + 2 iron)

Table 5: Mining Services Production Volume

FY 2022-23 Highlights:

- 5 operational coal mines with 51 MMT peak capacity
- Pelma coal block awarded (15 MMT peak capacity) from SECL
- 3 coal mines signed under commercial mining: Madheri NE, Purunga, Gondbahera Ujheni
- Carmichael Mine (Australia): 7.6 MMT in first full year

FY 2023-24 Highlights:

- Production increased 10% to 32.5 MMT

FY 2024-25 Highlights:

- 47 MMT coal and iron ore production (45% growth)
- Parsa coal block made operational
- 4 new MDO agreements executed
- Total portfolio: 13 blocks (11 coal + 2 iron ore)
- Letter of Award received for Taldih iron ore mine (7 MTPA) in Odisha
- Launched India's first hydrogen-powered mining truck
- Launched e-commerce platform for LPG, rock phosphate, copper, and precious metals trading

2.3 Airports Business (AAHL)

Metric	FY 2022-23	FY 2023-24	FY 2024-25
Passenger Movement (Mn)	74.8	88.6	94.4
YoY Growth %	103%	19%	7%
Income (₹ Cr)	-	8,062	10,224
EBITDA (₹ Cr)	-	2,437	3,480
EBITDA Growth %	-	45%	43%
PBT (₹ Cr)	-	68	5
New Routes Added	-	42	40
New Airlines Added	-	20	16
New Flights Added	-	-	43

Table 6: Airports Business Performance

FY 2022-23:

- 7 operational airports (Ahmedabad, Lucknow, Mangaluru, Jaipur, Guwahati, Thiruvananthapuram, Mumbai)
- 74.8 million passengers (pre-COVID levels achieved)
- 23% share of India's passenger base
- Navi Mumbai greenfield airport construction ahead of schedule

FY 2023-24:

- 88.6 million passengers (+19%)
- 42 new routes, 20 new airlines added
- Contributed 10% to total consolidated income, 21% to EBITDA
- Tariff orders in place for 6 SPV airports

FY 2024-25:

- 94.4 million passengers (+7%)
- 40 new routes, 16 airlines, 43 flights added
- Terminal 3 inaugurated at Lucknow Airport
- Mumbai Airport: First in India, third globally to achieve Level 5 ACI customer experience accreditation

- Thiruvananthapuram Airport: Level 2 ACI accreditation
- Navi Mumbai Airport: First commercial flight validation test completed
- Launched "Aviio" - India's first unified airport operations app
- **AAHL NCD issuance:** ₹1,950 crore (USD 230 million) successfully subscribed

Outlook:

- Navi Mumbai Phase-I operations to commence in FY 2025-26 (20 million pax capacity)
- Full-year tariff revision impact expected in FY 2025-26 (Mumbai tariff order issued May 2025)
- Non-aero revenue expansion targeted as major growth contributor

2.4 Solar & Wind Manufacturing (ANIL - Green Hydrogen Ecosystem)

Metric	FY 2022-23	FY 2023-24	FY 2024-25
Solar Manufacturing			
Module Sales (MW)	1,275	2,679	4,263
YoY Growth %	15%	110%	59%
Cell + Module Capacity (GW)	4.0	4.0	4.0
Ingot + Wafer Capacity (GW)	-	2.0	2.0
Wind Manufacturing			
WTG Sets Supplied	-	54	164
WTG Capacity (GW)	1.5	1.5	2.25
WTG Models Listed (RLMM)	1 (5.2 MW)	-	4 (5.2, 5.2, 3.3, 3.0 MW)
Financial Performance			
Income (₹ Cr)	-	8,741	14,236

EBITDA Growth %	-	0%	108%
PBT (₹ Cr)	-	1,884	3,958
Electrolyser Awards			
Awarded Capacity (MW p.a.)	-	198.5	300

Table 7: ANIL Green Hydrogen Ecosystem Performance

FY 2022-23 Milestones:

- Solar: 4 GW cell + module capacity operational (2 GW new plant + 2 GW upgraded with TOPcon)
- Cell line COD declared March 31, 2023
- Module line upgraded to 2 GW TOPcon technology (COD April 1, 2023)
- Wind: India's first and largest 5.2 MW WTG prototype installed at Mundra
- Blade manufacturing facility ramp-up commenced

FY 2023-24 Milestones:

- India's first large-sized monocrystalline ingot and wafer plant (2 GW) commissioned
- Module sales: 2,679 MW (+110%)
- WTG supply started Q3 FY24 (54 sets delivered)
- Letter of Award for 198.5 MW electrolyser manufacturing (SECI)

FY 2024-25 Milestones:

- Module sales: 4,263 MW (+59%) - domestic 2,540 MW (+152%), exports 1,723 MW (+3%)
- WTG capacity expanded to 2.25 GW from 1.5 GW
- 164 WTG sets supplied
- 4 WTG models listed with RLMM (5.2 MW x2, 3.3 MW, 3.0 MW)
- Letter of Award for 101.5 MW electrolyser plant (cumulative 300 MW awarded)
- Electrolyser testing lab launched at Mundra
- R&D center in Germany fully operational
- Contributed 14% to total consolidated income, 29% to EBITDA
- Export order book: 1.9 GW modules as of March 2025
- EBITDA margin improved due to integrated cell-module production

Green Hydrogen Targets:

- 1 MMTPA green hydrogen production capacity
- 10 GW integrated solar module manufacturing by 2028
- End-to-end supply chain: ingots → wafers → cells → modules → WTGs → electrolysers

2.5 Roads Business (ARTL)

Metric	FY 2022-23	FY 2023-24	FY 2024-25
Lane-Km Constructed	284.1	514.8	2,410.1
YoY Growth %	-	81%	368%
Total Projects	14	14	14
Operational Projects	3 (HAM)	6 (3 HAM + 1 TOT)	6
Income (₹ Cr)	-	7,595	10,086
EBITDA (₹ Cr)	-	1,231	1,769
EBITDA Growth %	-	-	44%
PBT (₹ Cr)	-	852	1,043
Total Contract (Lane-Km)	5,000	5,000	5,152.3
Cumulative Construction	-	-	3,529.4

Table 8: Roads Business Performance

FY 2022-23:

- Portfolio: 14 projects across 10 states (>₹40,000 crore)
- 3 HAM projects achieved provisional COD
- Ganga Expressway (464 km): Appointment date received
- Financial closure achieved

FY 2023-24:

- 514.8 lane-km constructed (+81%)
- 3 HAM + 1 TOT projects operational
- Contributed 10% to total consolidated income, 11% to EBITDA

FY 2024-25:

- Record 2,410.1 lane-km constructed (+368% YoY)
- Ganga Expressway: 75% completion
- 3 out of 10 under-construction projects crossed 90% milestone
- Provisional COD received: Panagarh-Palsit BOT (West Bengal), Kodad-Khammam HAM (Telangsburg)

- **SPV NCD issuance:** ₹1,124 crore (USD 130 million), AAA rated, up to 11-year maturity
- Contributed 10% to income, 11% to EBITDA
- Zero damages/penalties from customers throughout year

Outlook:

- Ganga Expressway completion expected FY 2025-26
- Concession period: 15 years O&M for most projects

2.6 Data Centers (AdaniConneX - ACX)

Metric	FY 2022-23	FY 2023-24	FY 2024-25
Operational Capacity (MW)	17 (Chennai)	17 (Chennai)	36.6
Under Construction	-	Noida, Hyderabad	-
Order Book (MW)	-	103	210
Tied-up Capacity (MW)	-	-	210
Target Capacity (GW)	-	-	1.0

Table 9: Data Center Business Performance

FY 2022-23:

- First 17 MW data center commissioned at Chennai

FY 2023-24:

- Chennai 17 MW operational
- Noida and Hyderabad construction >30% complete
- Land acquired for Pune, Navi Mumbai, Vishakhapatnam
- Order book: 103 MW from hyperscale and enterprise customers
- USD 213 million senior debt facility with international banks for 67 MW (Noida + Chennai Phase II)

FY 2024-25:

- Hyderabad Phase-I: 9.6 MW operational
- Noida Phase-I: 10 MW operational

- Pune Phase I+II: >75% construction complete
- Navi Mumbai: 30 MW under construction
- Tied-up capacity: 210+ MW with hyperscale customers (Chennai, Noida, Hyderabad, Pune)
- Giga-scale renewable-powered data center campus launched in Navi Mumbai

Outlook:

- 1 GW data center platform by 2030 (50:50 JV with EdgeConneX)
- Unique "energy-as-a-solution" offering for hyperscale customers
- Frost & Sullivan Company of 2023 (South Asian data center operations)

2.7 Copper Business (Kutch Copper Limited - KCL)

Milestone	FY 2022-23	FY 2023-24	FY 2024-25
Phase-I Capacity (KTPA)	-	500	500
Status	Under construction	Under construction	Operational
First Copper Anode	-	-	Produced
Location	Mundra	Mundra	Mundra

Table 10: Copper Plant Milestones

FY 2022-23:

- On schedule for Phase-I 500 KTPA at Mundra

FY 2023-24:

- Phase-I 500 KTPA plant operational at Mundra

FY 2024-25:

- First copper anode successfully produced at Mundra
- Strategic move to meet India's energy transition material demand

- Byproducts: Precious metals (gold, silver), sulphuric acid (convertible to phosphoric acid)

Outlook:

- Full Phase-I operational by FY 2025-26
- Future downstream opportunities: Copper tubes and value-added products

2.8 PVC Business (Mundra Petrochem Limited - MPL)

Parameter	Details
Planned Capacity	1-2 MMTPA PVC
Location	Mundra SEZ
Credit Line Received	₹14,000 crore
Expected Commissioning	FY 2027-28

Table 11: PVC Project Details

Strategic Rationale:

- Import substitution for PVC in India
- Leverage Mundra location advantage and Group resources
- Integrated petrochemical cluster: refineries, petrochemicals, specialty chemicals, hydrogen

2.9 Defence & Aerospace

FY 2024-25 Highlights:

- Ammunition and missile manufacturing complex in Kanpur (world-class facility targeting South Asia leadership)
- **Operation Sindoor Contribution:**
  - Surveillance drones deployed
  - Kamikaze drones supplied
  - Anti-drone systems for force protection
- Vision: Build one of South Asia's most formidable defence manufacturing complexes

2.10 Digital Business (Adani Digital Labs - ADL)

FY 2022-23:

- Adani One super app launched for consumer-facing portfolio integration

FY 2024-25:

- Alliance with IHC subsidiary Sirius to digitally transform India's USD 175 billion digital economy
- Focus on new-era technologies

Section 3: Strategic Highlights by Year

3.1 FY 2022-23 Key Initiatives

Theme: "Breaking All Records" - First Integrated Annual Report

Financial Achievements:

- Total income: ₹138,175 crore (+96% YoY)
- EBITDA: ₹10,025 crore (+112% YoY)
- PAT: ₹2,473 crore (+218% YoY)
- Net worth: ₹33,051 crore

Strategic Milestones:

1. **Capital Raising:**
    - ₹7,700 crore primary equity from IHC (Abu Dhabi)
    - ₹20,000 crore FPO announced & withdrawn (despite full subscription)
2. **New Business Incubation:**
    - ANIL incorporated for green hydrogen ecosystem
    - 4 GW solar cell+module capacity operational
    - India's first 5.2 MW WTG prototype installed
3. **Acquisitions:**
    - NDTV acquired (media business entry)
    - 49% stake in Quintillion Business Media
4. **Airport Expansion:**
    - Pre-COVID passenger levels achieved: 74.8 million

    - Navi Mumbai greenfield construction ahead of schedule
5. **Roads Portfolio:**
    - 3 HAM projects achieved provisional COD
    - Ganga Expressway (464 km) appointment date received
6. **Mining Services:**
    - Pelma coal block awarded (15 MMT)
    - 3 commercial mining agreements signed
    - Carmichael Mine (Australia): 7.6 MMT first full year

Governance & ESG:

- DJSI score: 46/100 (industry avg: 17/100)
- Ranked 7th in global peer group ESG rating

3.2 FY 2023-24 Key Initiatives

Theme: "Stronger Than Ever" - Resilient comeback post short-seller report

Financial Achievements:

- Market cap: ₹3,64,470 crore (vs ₹1,99,551 crore prior year)
- EBITDA: ₹13,237 crore (+32% YoY)
- Cash accruals: ₹7,076 crore (+34% YoY)
- EBITDA margin: 13.5% (+620 bps expansion)

Strategic Milestones:

1. **Green Hydrogen Ecosystem:**
    - India's first ingot-wafer plant (2 GW) commissioned
    - Module sales: 2,679 MW (+110%)
    - WTG supply started: 54 sets
    - ANIL EBITDA: 4.6x growth to ₹2,296 crore
2. **Airports Business:**
    - Passengers: 88.6 million (+19%)
    - 42 new routes, 20 new airlines
    - EBITDA: ₹2,437 crore (+45%)
3. **Roads Business:**
    - 514.8 lane-km constructed (+81%)
    - Ganga Expressway financial closure achieved
4. **Emerging Core Infra (ANIL + Airports + Roads):**

    - Combined income: ₹24,510 crore (+66%)
    - Combined EBITDA: ₹5,942 crore (+47%)
    - Combined PBT: ₹2,643 crore (+104%)
    - Contributed 45% to total EBITDA
5. **Data Centers:**
    - First 17 MW Chennai operational
    - 103 MW order book from hyperscale customers

Governance & ESG:

- First Integrated Annual Report (IIRC framework)
- Reporting aligned: GRI, UN SDGs, Indian regulations

3.3 FY 2024-25 Key Initiatives

Theme: "Strength with Resilience"

- EBITDA: 8.2% growth
- Net Debt/EBITDA: 2.6x (healthy)

Section 4: Future Outlook & Capex Plans

4.1 FY 2025-26 Expectations

Near-Term Project Completions:

1. **Navi Mumbai Airport:** Phase-I operations (20 million pax capacity) - Q1/Q2 FY26
2. **Ganga Expressway:** Full completion expected FY26
3. **Copper Plant:** Phase-I fully operational FY26
4. **PVC Plant:** Commissioning expected FY 2027-28

EBITDA Unlocking:

- FY25 capex of ₹18,234 crore in AAHL (34%), ARTL (35%), KCL (18%), MPL (10%) yet to unlock
- These projects expected to start yielding significant returns from FY26

4.2 Long-Term Capex Plans (Next 5 Years)

Adani Group Level:

- **Annual Capex:** USD 15-20 billion per year for next 5 years
- **Focus Areas:**
  - Green hydrogen ecosystem
  - Renewable energy (50 GW AGEL target by 2030)
  - Airports infrastructure
  - Data centers (1 GW ACX target by 2030)
  - Defence manufacturing
  - Cement (140 MTPA target by FY 2027-28)

4.3 Business-Specific Targets

ANIL (Green Hydrogen Ecosystem):

- 10 GW integrated solar manufacturing by 2028
- 1 MMTPA green hydrogen production
- End-to-end supply chain dominance

Adani Green Energy Limited:

- 50 GW renewable capacity by 2030
- 30 GW Khavda renewable energy plant (world's largest)
- 5,000 MW pumped hydro storage by 2030

Adani Power Limited:

- 31 GW capacity target by 2030
- ₹12,000+ crore annual capex (mainly internal accruals)

Adani Energy Solutions Limited:

- ₹43,990 crore transmission orders secured
- ₹13,600 crore smart metering projects

Adani Ports:

- 450 MMT cargo handled (FY25)
- 27% India market share

AdaniConneX:

- 1 GW data center platform by 2030
- 210+ MW current pipeline

Adani Total Gas Limited:

- Double current 1 million PNG customers by 2030
- Double 647 CNG stations by 2030
- 3,400+ EV charging points across 22 states + 4 UTs

Dharavi Redevelopment:

- 1 million people rehabilitation
- Multi-modal mobility hub, riverfront, cloud kitchens planned

4.4 ESG Commitments

Decarbonization:

- USD 100 billion investment by 2030 for green transition
- 5 major companies committed to Net Zero by 2050 (APSEZ, AGEL, AESL, ACC, Ambuja)
- 100 million trees pledge by 2030 (WEF 1t.org)

Social:

- Adani Foundation touching 9.1 million lives
- ₹60,000 crore philanthropic pledge (healthcare, education, skill development)
- Adani Healthcare Temples: 1,000-bed campuses in Ahmedabad + Mumbai (Mayo Clinic partnership)
- ₹2,000 crore skill university and finishing school at Mundra
